

The Vintyri™ Project

Installing Patch 1 for Alpha version 1 of the Vintyri Cartographic Collection

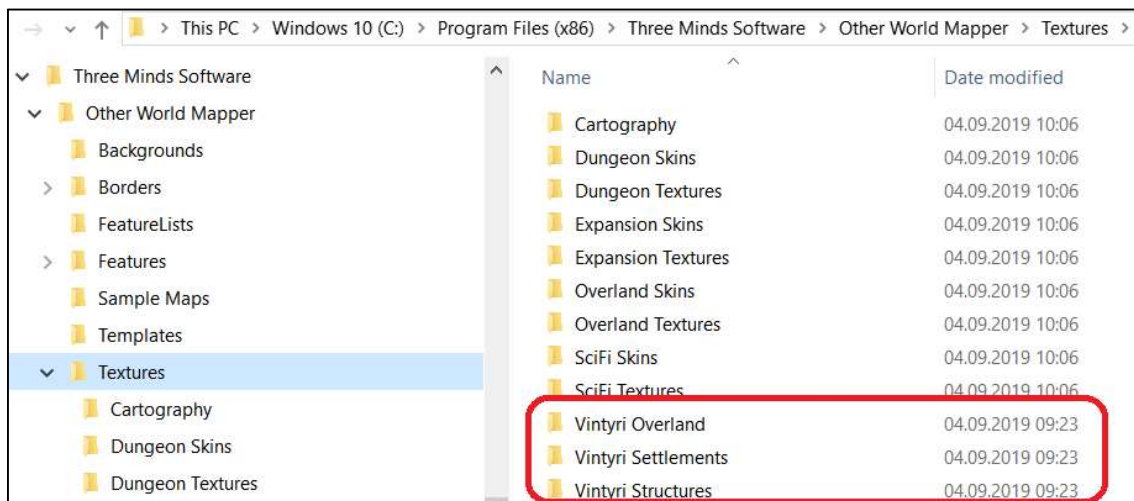

1. Open the *Windows Explorer*.
2. Open the *Textures* folder of your *Other World Mapper* installation folder:

Location\Three Minds Software\Other World Mapper\Textures

If you used the default installation, it is this folder:

C:\Programs (x86)\Three Minds Software\Other World Mapper\Textures

3. Erase the folder the three folders with names that begin with *Vintyri*:

4. Copy the folder *Textures* from the patch zip file for the original folder into:

Location\Three Minds Software\Other World Mapper

If you used the default installation, it is this folder:

C:\Programs (x86)\Three Minds Software\Other World Mapper
